From [neon yellow heels](#) to a sleek [Stella McCartney gown](#), **Brooklyn Decker** has been getting a lot of attention for her head-turning style during the *Battleship* world promo tour.

And she stepped out in her sexiest look yet at the film's South Korea premiere Thursday. Clad in a sheer lace *Femme d'armes* number that revealed strategically placed black undergarments, the swimsuit model-turned-actress wowed fans as she signed autographs and posed for pics alongside co-star **Taylor Kitsch**.

VOTE: Did Brooklyn wear this dress best?

She also flashed brand-new hot pink streaks in her blonde updo, following in the colorful footsteps of [January Jones](#), [Ashley Tisdale](#) and [Ashley Benson](#).
